FROM: Carol Wolenberg, Deputy Superintendent *Carol*

SUBJECT: Webinar for New MDE Cash Management System

As promised in my September 13 memorandum, the following is registration and Website address information for the Webinar scheduled for September 27, 2006, at 10:00 a.m. to introduce to the Intermediate School Districts the Michigan Department of Education's (MDE) new Cash Management System (CMS) which begins October 1, 2006. The Webinar is scheduled to last 30 to 45 minutes. Four Special Education Grants will be brought online to start the first phase of transitioning from the current system to the new CMS. They are: IDEA, Part B Flowthrough, Preschool Section 619, Enhancing Opportunities for Students with Disabilities (EOSD), and Transition Services (TS). The Webinar will feature operation instructions, navigation details, screen prints, and a Q & A session.

It is critical that ISD business staff, who certify, request funds, or do reports attend the Webinar so that they will know how to draw Special Education funds after October 1, 2006.
